Subpart A—General Provisions

§ 2700.1 Scope; applicability of other rules; construction.

(a) *Scope.* This part sets forth rules applicable to proceedings before the Federal Mine Safety and Health Review Commission and its Administrative Law Judges.

(b) *Applicability of other rules.* On any procedural question not regulated by the Federal Mine Safety and Health Act of 1977, 30 U.S.C. 801 et seq. (“the Act”), these Procedural Rules, or the Administrative Procedure Act (particularly 5 U.S.C. 554 and 556), the Commission and its Judges shall be guided so far as practicable by the Federal Rules of Civil Procedure and the Federal Rules of Appellate Procedure.

(c) *Construction.* These rules shall be construed to secure the just, speedy and inexpensive determination of all proceedings, and to encourage the participation of miners and their representatives. Wherever the masculine gender is used in these rules, the feminine gender is also implied.

§ 2700.2 Definitions.

For purposes of this part, the definitions contained in section 3 of the Act, 30 U.S.C. 802, apply.

§ 2700.3 Who may practice.

(a) *Attorneys.* Attorneys admitted to practice before the highest court of any State, Territory, District, Commonwealth or possession of the United States are permitted to practice before the Commission.

(b) *Other persons.* A person who is not authorized to practice before the Commission as an attorney under paragraph (a) of this section may practice before the Commission as a representative of a party if he is:

- (1) A party;
- (2) A representative of miners;
- (3) An owner, partner, officer or employee of a party when the party is a labor organization, an association, a partnership, a corporation, other business entity, or a political subdivision; or
- (4) Any other person with the permission of the presiding judge or the Commission.

(c) *Entry of appearance.* A representative of a party shall enter an appearance by signing the first document filed on behalf of the party; filing a written entry of appearance with the Commission or Judge; or, if the Commission or Judge permits, by orally entering an appearance in open hearing.

(d) *Withdrawal of appearance.* Any representative of a party desiring to withdraw his appearance shall file a motion with the Commission or Judge. The motion to withdraw may, in the discretion of the Commission or Judge, be denied where it is necessary to avoid undue delay or prejudice to the rights of a party.

§ 2700.4 Parties, intervenors, and amici curiae.

(a) *Party status.* A person, including the Secretary or an operator, who is named as a party or who is permitted to intervene, is a party. In a proceeding instituted by the Secretary under section 105(c)(2) of the Act, 30 U.S.C. 815(c)(2), the complainant on whose behalf the Secretary has filed the complaint is a party and may present additional evidence on his own behalf. A miner, applicant for employment, or representative of a miner who has filed a complaint with the Commission under section 105(c)(3) or 111 of the Act, 30 U.S.C. 815(c)(3) and 821, and an affected miner or his representative who has become a party in accordance with paragraph (b) of this section, are parties.

(b) *Intervention—(1) Intervention by affected miners and their representatives.* Before a case has been assigned to a Judge, affected miners or their representatives shall be permitted to intervene upon filing a written notice of intervention with the Executive Director, Federal Mine Safety and Health Review Commission, 1730 K Street, N.W., Sixth Floor, Washington, DC 20006–3867. If the case has been assigned to a Judge, the notice of intervention shall be filed with the Judge. The Commission or the Judge shall mail forthwith a copy of the notice to all parties. After the start of the hearing, affected miners or their representatives may intervene upon just terms and for good cause shown.

(2) *Intervention by other persons.* (i) Motions by other persons for leave to intervene shall be filed before the start of a hearing on the merits unless the Judge, for good cause shown, allows a later filing. The motion shall set forth:

(A) The interest of the movant relating to the property or events that are the subject of the proceeding;

(B) The reasons why such interest is not otherwise adequately represented by the parties already involved in the proceeding; and

(C) A showing that intervention will not unduly delay or prejudice the adjudication of the issues.

(ii) Such intervention is not a matter of right but of the sound discretion of the Judge. In denying a motion to intervene, the Judge may alternatively permit the movant to participate in the proceeding as *amicus curiae*.

(c) *Procedure for participation as amicus curiae.* Any person may move to participate as *amicus curiae* in a proceeding before a Judge. Such participation as *amicus curiae* shall not be a matter of right but of the sound discretion of the Judge. A motion for participation as *amicus curiae* shall set forth the interest of the movant and show that the granting of the motion will not unduly delay or prejudice the adjudication of the issues. If the Judge permits *amicus curiae* participation, the Judge's order shall specify the time within which such *amicus curiae* memorandum, brief, or other pleading must be filed and the time within which a reply may be made. The movant may conditionally attach its memorandum, brief, or other pleading to its motion for participation as *amicus curiae*.

Filing by facsimile transmission is permissible only when specifically permitted by these rules (*see* §§ 2700.52 and 2700.70), or when otherwise allowed by a Judge or the Commission. Filing by facsimile transmission is effective upon receipt.

When filing is by facsimile transmission, the appropriate number of non-facsimile copies must be filed with the Judge or Commission within 3 days of the facsimile transmission.

(f) *Size of paper.* Pleadings and other documents shall be 8½ by 11 inches in size.

(g) *Status or informational requests.* Any inquiries concerning filing requirements, the status of cases before the Commission, or docket information shall be directed to the Office of General Counsel or the Docket Office of the Federal Mine Safety and Health Review Commission, 1730 K St., N.W., Sixth Floor, Washington, DC 20006-3867.

§ 2700.6 Signing of documents.

When a person who appears in a representative capacity signs a document, that person's signature shall constitute his certificate:

(a) That under the provisions of the law, including these rules and all federal conflict of interest statutes, he is authorized and qualified to represent the particular party in the matter; and

(b) That he has read the document; that to the best of his knowledge, information, and belief formed after reasonable inquiry it is well grounded in fact and is warranted by existing law or a good faith argument for extension, modification, or reversal of existing law; and that it is not interposed for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

Service of the order granting or denying the application shall be by certified or registered mail, return receipt requested.

(f) *Review of order.* Review by the Commission of a Judge's written order granting or denying an application for temporary reinstatement may be sought by filing with the Commission a petition for review with supporting arguments within 5 days following receipt of the Judge's written order. The opposing party shall be served simultaneously. The filing of a petition for review shall not stay the effect of the Judge's order unless the Commission so directs. Any response shall be filed within 5 days following receipt of a petition. The Commission's ruling on a petition for review shall be rendered within 10 days following receipt of any

response or the expiration of the period for filing such response. In extraordinary circumstances, the Commission's time for decision may be extended.

(g) *Dissolution of order.* If, following an order of temporary reinstatement, the Secretary determines that the provisions of section 105(c)(1), 30 U.S.C. 815(c)(1), have not been violated, the Judge shall be so notified and shall enter an order dissolving the order of reinstatement. An order dissolving the order of reinstatement shall not bar the filing of an action by the miner in his own behalf under section 105(c)(3) of the Act, 30 U.S.C. 815(c)(3), and §2700.40(b) of these rules.

Subpart F—Applications for Temporary Relief

(2) A statement of the specific relief requested; and

(3) A showing that such relief will not adversely affect the health and safety of miners in the affected mine.

(b) An application for temporary relief may be supported by affidavits or other evidence.

Subpart G—Hearings

§ 2700.50 Assignment of Judges.

Judges shall be assigned cases in rotation as far as practicable.

§ 2700.51 Hearing sites.

All cases will be assigned a hearing site by order of the Judge. The Judge shall give due regard to the convenience and necessity of the parties or their representatives and witnesses, the availability of suitable hearing facilities, and other relevant factors.

§ 2700.52 Expedition of proceedings.

(a) *Motions.* In addition to making a written motion pursuant to § 2700.10, a party may request expedition of proceedings by oral motion, with concurrent notice to all parties, or may file and serve such motion by facsimile. Oral motions shall be reduced to writing within 24 hours.

(b) *Timing of hearing.* Unless all parties consent to an earlier hearing, an expedited hearing on the merits of the case shall not be held on less than 4 days notice.

§ 2700.53 Prehearing conferences and statements.

(a) The Judge may require the parties to participate in a prehearing conference, either in person or by telephone. The participants at any such conference may consider and take action with respect to:

- (1) The formulation and simplification of the issues;
- (2) The possibility of obtaining stipulations, admissions of fact and of documents that will avoid unnecessary proof and advance rulings from the Judge on the admissibility of evidence;
- (3) The exchange of exhibits and the names of witnesses and a synopsis of the testimony expected from each witness;
- (4) The necessity or desirability of amendments to the pleadings and the joinder of parties;
- (5) The possibility of agreement disposing of any or all of the issues in dispute;
- (6) Such other matters as may aid in the expedition of the hearing or the disposition of the case.

(b) The Judge may also require the parties to submit prehearing statements addressing one or more of the matters set forth in paragraph (a) of this section.

§ 2700.54 Notice of hearing.

Except in expedited proceedings, written notice of the time, place, and nature of the hearing, the legal authority under which the hearing is to be held, and the matters of fact and law asserted shall be given to all parties at least 20 days before the date set for hearing. The notice shall be mailed by certified or registered mail, return receipt requested.

§ 2700.55 Powers of Judges.

Subject to these rules, a Judge is empowered to:

- (i) Take other action authorized by these rules, by 5 U.S.C. 556, or by the Act.

§ 2700.56 Discovery; general.

(a) *Discovery methods.* Parties may obtain discovery by one or more of the following methods: Depositions upon oral examination or written questions; written interrogatories; or requests for admissions, for production of documents or objects or for permission to enter upon property for inspecting, copying, photographing, and gathering information.

(b) *Scope of discovery.* Parties may obtain discovery of any relevant, non-privileged matter that is admissible evidence or appears likely to lead to the discovery of admissible evidence.

(c) *Limitation of discovery.* Upon motion by a party or by the person from whom discovery is sought or upon his own motion, a Judge may, for good cause shown, limit discovery to prevent undue delay or to protect a party or person from oppression or undue burden or expense.

(d) *Initiation of discovery.* Discovery shall be initiated within 20 days after an answer to a notice of contest, an answer to a petition for assessment of penalty, or an answer to a complaint under section 105(c) or 111 of the Act has been filed. 30 U.S.C. 815(c) and 30 U.S.C. 821. For good cause shown, the Judge may permit discovery to be initiated after that date.

(e) *Completion of discovery.* Discovery shall be completed within 40 days after its initiation. For good cause shown, the Judge may extend the time for discovery.

§ 2700.57 Depositions.

(a) *Generally.* Any party, without leave of the Judge, may take the testimony of any person, including a party, by deposition upon oral examination or written interrogatories.

(b) *Orders for deposition.* If the parties are unable to agree, the time, place, and manner of taking depositions shall be governed by order of the Judge.

§ 2700.58 Interrogatories, requests for admissions and requests for production of documents.

(a) *Interrogatories.* Any party, without leave of the Judge, may serve written interrogatories upon another party. A party served with interrogatories shall answer each interrogatory separately and fully in writing under oath within 25 days of service unless the proponent of the interrogatories agrees to a longer time. The Judge may order a shorter or longer time period for responding. A party objecting to an interrogatory shall state the basis for the objection in its answer.

(b) *Requests for admissions.* Any party, without leave of the Judge, may serve on another party a written request for admissions. A party served with a request for admissions shall respond to each request separately and fully in writing within 25 days of service, unless the party making the request

agrees to a longer time. The Judge may order a shorter or longer time period for responding. A party objecting to a request for admissions shall state the basis for the objection in its response. Any matter admitted under this rule is conclusively established for the purpose of the pending proceeding unless the Judge, on motion, permits withdrawal or amendment of the admission.

(c) *Request for production, entry or inspection.* Any party, without leave of the Judge, may serve on another party a written request to produce and permit inspection, copying or photocopying of designated documents or objects, or to permit a party or his agent to enter upon designated property to inspect and gather information. A party served with such a request shall respond in writing within 25 days of service unless the party making the request agrees to a longer time. The Judge may order a shorter or longer period for responding. A party objecting to a request for production, entry or inspection shall state the basis for the objection in its response.

§ 2700.59. Failure to cooperate in discovery; sanctions.

Upon the failure of any person, including a party, to respond to a discovery request or upon an objection to such a request, the party seeking discovery may file a motion with the Judge requesting an order compelling discovery. If any person, including a party, fails to comply with an order compelling discovery, the Judge may make such orders with regard to the failure as are just and appropriate, including deeming as established the matters sought to be discovered or dismissing the proceeding in favor of the party seeking discovery. For good cause shown the Judge may excuse an objecting party from complying with the request.

§ 2700.60 Subpoenas.

(a) *Compulsory attendance of witnesses and production of documents.* The Commission and its Judges are authorized to issue subpoenas, on their own motion or on the oral or written application of a party, requiring the attendance of witnesses and the production of

documents or physical evidence. A subpoena may be served by any person who is at least 18 years of age. A subpoena may also be served by registered or certified mail, return receipt requested, but, in such case, any risk of delivery is on the serving party. A copy of the subpoena bearing a certificate of service shall be filed with the Commission or the Judge.

(b) *Fees payable to witnesses.* Subpoenaed witnesses shall be paid the same fees and mileage as are paid in the district courts of the United States. The witness fees and mileage shall be paid by the party at whose request the witness appears, or by the Commission if a witness is subpoenaed on the motion of the Commission or a Judge. This paragraph does not apply to Government employees who are called as witnesses by the Government.

(c) *Motions to revoke or modify subpoenas.* Any person served with a subpoena may move within 5 days of service or at the hearing, whichever is sooner, to revoke or modify the subpoena. The Commission or the Judge, as appropriate, shall revoke or modify the subpoena if it seeks information outside the proper scope of discovery as set forth in § 2700.56(b); or if it does not describe with sufficient particularity the evidence required to be produced; or if for any other reason it is found to be invalid or unreasonable. The Commission or the Judge shall set forth a concise statement of the grounds for such ruling.

(d) *Availability of transcript.* Persons compelled to submit evidence at a public proceeding are entitled to obtain, on payment of prescribed costs, a transcript of that part of the proceeding that sets forth their testimony or refers to their production of evidence.

(e) *Failure to comply.* Upon the failure of any person to comply with an order to testify or with a subpoena issued by the Commission or the Judge, the Judge or the Commission's General Counsel, at the request of the Judge or at the direction of the Commission, may undertake to initiate proceedings in the appropriate district court of the United States for the enforcement of the subpoena.

§ 2700.61 Name of miner informant.

A Judge shall not, except in extraordinary circumstances, disclose or order a person to disclose to an operator or his agent the name of an informant who is a miner.

§ 2700.62 Name of miner witness.

A Judge shall not, until 2 days before a hearing, disclose or order a person to disclose to an operator or his agent the name of a miner who is expected by the Judge to testify or whom a party expects to summon or call as a witness.

§ 2700.63 Evidence; presentation of case.

(a) Relevant evidence, including hearsay evidence, that is not unduly repetitious or cumulative is admissible.

(b) The proponent of an order has the burden of proof. A party shall have the right to present his case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts.

§ 2700.64 Retention of exhibits.

All exhibits received in evidence in a hearing or submitted for the record in any proceeding before the Commission shall be retained with the official record of the proceeding. The withdrawal of original exhibits may be permitted by the Commission or the Judge, upon request and after notice to the other parties, if true copies are substituted, where practical, for the originals.

§ 2700.65 Proposed findings, conclusions and orders.

The Judge may require the submission of proposed findings of fact, conclusions of law, and orders, together with supporting briefs. The proposals shall be served upon all parties, and shall contain adequate references to the record and authorities.

§ 2700.66 Summary disposition of proceedings.

(a) *Generally.* When a party fails to comply with an order of a Judge or these rules, except as provided in paragraph (b) of this section, an order to

show cause shall be directed to the party before the entry of any order of default or dismissal. The order shall be mailed by registered or certified mail, return receipt requested.

(b) *Failure to attend hearing.* If a party fails to attend a scheduled hearing, the Judge, where appropriate, may find the party in default or dismiss the proceeding without issuing an order to show cause.

(c) *Penalty proceedings.* When the Judge finds a party in default in a civil penalty proceeding, the Judge shall also enter an order assessing appropriate penalties and directing that such penalties be paid.

§ 2700.67 Summary decision of the Judge.

(a) *Filing of motion for summary decision.* At any time after commencement of a proceeding and no later than 10 days before the date fixed for the hearing on the merits, a party may move the Judge to render summary decision disposing of all or part of the proceeding.

(b) *Grounds.* A motion for summary decision shall be granted only if the entire record, including the pleadings, depositions, answers to interrogatories, admissions, and affidavits, shows:

(1) That there is no genuine issue as to any material fact; and

(2) That the moving party is entitled to summary decision as a matter of law.

(c) *Form of motion and affidavits.* The motion may be supported by affidavits or other verified documents, and shall specify the grounds upon which the party seeks relief. Supporting and opposing affidavits shall be made on personal knowledge and shall show affirmatively that the affiant is competent to testify to the matters stated. Sworn or certified copies of all papers or parts of papers referred to in an affidavit shall be attached to the affidavit or be incorporated by reference if not otherwise a matter of record. The Judge shall permit affidavits to be supplemented or opposed by depositions, answers to interrogatories, admissions or further affidavits. When a motion for summary decision is made and supported as provided in this rule, an adverse party may not rest upon the mere allegations

or denials of his pleadings, but his response, by affidavits or as otherwise provided in this rule, must set forth specific facts showing that there is a genuine issue for a hearing. If the party does not respond, summary decision, if appropriate, shall be entered against him.

(d) *Case not fully adjudicated on motion.* If a motion for summary decision is denied in whole or in part, the Judge shall ascertain what material facts are controverted and shall issue an order directing further proceedings as appropriate.

§ 2700.68 Substitution of the Judge.

(a) *Generally.* Should a Judge become unavailable to the Commission, the proceedings assigned to him shall be reassigned to a substitute Judge.

(b) *Substitution following a hearing.* The substitute Judge may render a decision based upon the existing record, provided the parties are notified of his intent and they are given an opportunity to object. An objection to the Judge rendering a decision based upon the existing record shall be filed within 10 days following receipt of the Judge's notice, or the objection shall be deemed to be waived. An objection shall be founded upon a showing of a need for the resolution of conflicting material testimony requiring credibility determinations. Upon good cause shown the Judge may order a further hearing on the merits, which shall be limited, so far as practicable, to the testimony in dispute.

§ 2700.69 Decision of the Judge.

(a) *Form and content of the Judge's decision.* The Judge shall make a decision that constitutes his final disposition of the proceedings. The decision shall be in writing and shall include all findings of fact and conclusions of law, and the reasons or bases for them, on all the material issues of fact, law or discretion presented by the record, and an order. If a decision is announced orally from the bench, it shall be reduced to writing after the filing of the transcript. An order by a Judge approving a settlement proposal is a decision of the Judge.

(b) *Termination of the Judge's jurisdiction.* The jurisdiction of the Judge terminates when his decision has been issued.

(c) *Correction of clerical errors.* At any time before the Commission has directed that a Judge's decision be reviewed, and on his own motion or the motion of a party, the Judge may correct clerical errors in decisions, orders or other parts of the record. After the Commission has directed that a Judge's decision be reviewed, the Judge may correct such errors with the leave of the Commission. If a Judge's decision has become the final order of the Commission, the Judge may correct such errors with the leave of the Commission.

Subpart H—Review by the Commission

§ 2700.70 Petitions for discretionary review.

(a) *Procedure.* Any person adversely affected or aggrieved by a Judge's decision or order may file with the Commission a petition for discretionary review within 30 days after issuance of the decision or order. Filing of a petition for discretionary review, including a facsimile transmission, is effective upon receipt. Two or more parties may join in the same petition; the Commission may consolidate related petitions.

(b) *Review discretionary.* Review by the Commission shall not be a matter of right but of the sound discretion of the Commission. Review by the Commission shall be granted only by affirmative vote of at least two of the Commissioners present and voting.

(c) *Grounds.* Petitions for discretionary review shall be filed only upon one or more of the following grounds:

- (1) A finding or conclusion of material fact is not supported by substantial evidence;
- (2) A necessary legal conclusion is erroneous;
- (3) The decision is contrary to law or to the duly promulgated rules or decisions of the Commission;
- (4) A substantial question of law, policy, or discretion is involved; or
- (5) A prejudicial error of procedure was committed.

(d) *Requirements.* Each issue shall be separately numbered and plainly and concisely stated, and shall be supported by detailed citations to the record, when assignments of error are based on the record, and by statutes, regulations, or other principal authorities relied upon. Except for good cause shown, no assignment of error by any party shall rely on any question of fact or law upon which the Judge had not been afforded an opportunity to pass.

(e) *Statement in opposition.* A statement in opposition to a petition for discretionary review may be filed, but the opportunity for such filing shall not require the Commission to delay its action on the petition.

(f) *Scope of review.* If a petition is granted, review shall be limited to the issues raised by the petition, unless the Commission directs review of additional issues pursuant to § 2700.71.

(g) *Denial of petition.* A petition not granted within 40 days after the issuance of the Judge's decision is deemed denied.

§ 2700.71 Review by the Commission on its own motion.

At any time within 30 days after the issuance of a Judge's decision, the Commission may, by the affirmative vote of at least two of the Commissioners present and voting, direct the case for review on its own motion. Review shall be directed only upon the ground that the decision may be contrary to law or Commission policy or that a novel question of policy has been presented. The Commission shall state in such direction for review the specific issue of law, Commission policy, or novel question of policy to be reviewed. Review shall be limited to the issues specified in such direction for review.

§ 2700.72 Unreviewed decisions.

An unreviewed decision of a Judge is not a precedent binding upon the Commission.

§ 2700.73 Procedure for intervention.

After the Commission has directed a case for review, a person may move to intervene. A motion to intervene shall be filed within 30 days after the Commission's direction for review unless

the Commission, for good cause shown, allows a later filing. Intervention before the Commission shall not be a matter of right but of the sound discretion of the Commission. The movant shall set forth:

(a) A legally protectible interest directly relating to the property or events that are the subject of the case on review;

(b) A showing that the disposition of the proceeding may impair or impede his ability to protect that interest;

(c) The reasons why the movant's interest is not adequately represented by parties already involved in the proceeding; and

(d) The reasons why the movant should be excused for failing to file for intervention before the Judge. A motion for intervention shall also show that the granting of the motion will not unduly delay the proceeding or prejudice any party and shall explain why the movant's participation as an amicus curiae would be inadequate. If the Commission permits intervention, the Commission's order shall specify the time within which the intervenor's brief and any response or reply may be filed. In denying a motion to intervene, the Commission may alternatively permit the movant to participate in the proceeding as amicus curiae.

§ 2700.74 Procedure for participation as amicus curiae.

(a) After the Commission has directed a case for review, any person may move to participate as amicus curiae. Such participation before the Commission shall not be a matter of right but of the sound discretion of the Commission. A motion for participation as amicus curiae shall set forth the interest of the movant and show that the granting of the motion will not unduly delay the proceeding or prejudice any party. The movant may conditionally attach its brief to its motion for participation as amicus curiae.

(b) The brief of an amicus curiae should normally be filed within the briefing period allotted to the party whose position the amicus curiae supports. In the interest of avoiding duplication of argument, however, the Commission may permit the filing of an amicus curiae brief within 20 days after

the close of the briefing period set forth in § 2700.75(a), provided that the motion for participation as amicus curiae is filed within the briefing period allotted to the party whose position the amicus curiae supports. If the Commission grants the motion for participation as amicus curiae, the Commission's order shall specify the time within which a response or reply may be made to the amicus curiae brief.

§ 2700.75 Briefs.

(a) *Time to file*—(1) *Opening and response briefs.* Within 30 days after the Commission grants a petition for discretionary review, the petitioner shall file his opening brief. If the petitioner desires, he may notify the Commission and all other parties within the 30-day period that his petition and any supporting memorandum are to constitute his brief. Other parties may file response briefs within 30 days after the petitioner's brief is served. If the Commission directs review on its own motion, all parties shall file any opening briefs within 30 days of the direction for review. In such cases, a party may file a response brief within 20 days after service of the opposing party's opening brief.

(2) *Reply briefs.* In cases where the Commission has granted a petition for discretionary review, the petitioner may file a reply brief within 20 days after the service of the response briefs.

(b) *Additional briefs.* No further briefs shall be filed except by leave of the Commission.

(c) *Length of brief.* Except by permission of the Commission, opening briefs shall not exceed 35 pages, response briefs shall not exceed 25 pages, and reply briefs shall not exceed 15 pages. A brief of an amicus curiae shall not exceed 25 pages. A brief of an intervenor shall not exceed the page limitation applicable to the party whose position it supports in affirming or reversing the Judge, or if a different position is taken, such brief shall not exceed 25 pages. Tables of contents or authorities shall not be counted against the length of a brief.

(d) *Motion for extension of time.* A motion for an extension of time to file a brief will not be granted except for

good cause shown. A motion for extension of time shall be filed within the time limit prescribed for filing the brief. The Commission may decline to accept a brief that is not timely filed.

(e) *Consequences of petitioner's failure to file brief.* If a petitioner fails to timely file a brief or to designate the petition as his brief, the direction for review may be vacated.

(f) *Number of copies.* As provided in § 2700.5(e), each party shall file seven copies of its brief. If the filing party is not represented by a lawyer or other representative, one copy shall be sufficient.

§ 2700.76 Interlocutory review.

(a) *Procedure.* Interlocutory review by the Commission shall not be a matter of right but of the sound discretion of the Commission.

(1) Review cannot be granted unless:

(i) The Judge has certified, upon his own motion or the motion of a party, that his interlocutory ruling involves a controlling question of law and that in his opinion immediate review will materially advance the final disposition of the proceeding; or

(ii) The Judge has denied a party's motion for certification of the interlocutory ruling to the Commission, and the party files with the Commission a petition for interlocutory review within 30 days of the Judge's denial of such motion for certification.

(2) In the case of either paragraph (a)(1)(i) or (ii) of this section, the Commission, by a majority vote of the full Commission or a majority vote of a duly constituted panel of the Commission, may grant interlocutory review upon a determination that the Judge's interlocutory ruling involves a controlling question of law and that immediate review may materially advance the final disposition of the proceeding. Interlocutory review by the Commission shall not operate to suspend the hearing unless otherwise ordered by the Commission. Any grant or denial of interlocutory review shall be by written order of the Commission.

(b) *Petitions for interlocutory review.* Where the Judge denies a party's motion for certification of an interlocutory ruling and the party seeks interlocutory review, a petition for inter-

locutory review shall be in writing and shall not exceed 15 pages. A copy of the Judge's interlocutory ruling sought to be reviewed and of the Judge's order denying the petitioner's motion for certification shall be attached to the petition.

(c) *Briefs.* When the Commission grants interlocutory review, the parties shall file briefs not to exceed 25 pages within 20 days of the order granting interlocutory review unless otherwise ordered by the Commission.

(d) *Scope of review.* Unless otherwise specified in the Commission's order granting interlocutory review, review shall be confined to the issues raised in the Judge's certification or to the issues raised in the petition for interlocutory review.

§ 2700.77 Oral argument.

Oral argument may be ordered by the Commission on its own motion or on the motion of a party. A party requesting oral argument shall do so by separate motion no later than the time that it files its opening or response brief.

§ 2700.78 Reconsideration.

(a) A petition for reconsideration must be filed with the Commission within 10 days after a decision or order of the Commission. Any response must be filed with the Commission within 10 days of service of the petition.

(b) Unless the Commission orders otherwise, the filing of a petition for reconsideration shall not stay the effect of a decision or order of the Commission and shall not affect the finality of a decision or order for purposes of review in the courts.

§ 2700.79 Correction of clerical errors.

The Commission may correct clerical errors in its decisions at any time.

Subpart I—Miscellaneous

§ 2700.80 Standards of conduct; disciplinary proceedings.

(a) *Standards of conduct.* Individuals practicing before the Commission and Commission Judges shall conform to the standards of ethical conduct required of practitioners in the courts of the United States.

(b) *Grounds.* Disciplinary proceedings may be instituted against anyone who is practicing or has practiced before the Commission on grounds that such person has engaged in unethical or unprofessional conduct; has failed to comply with these rules or an order of the Commission or its Judges; has been disbarred or suspended by a court or administrative agency; or has been disciplined by a Judge under paragraph (e) of this section.

(c) Disciplinary proceedings shall be subject to the following procedure:

(1) *Disciplinary referral.* Except as provided in paragraph (e) of this section, a Judge or other person having knowledge of circumstances that may warrant disciplinary proceedings against an individual who is practicing or has practiced before the Commission shall forward to the Commission for action such information in the form of a written disciplinary referral. Whenever the Commission receives a disciplinary referral, the matter shall be assigned a docket number.

(2) *Inquiry by the Commission.* The Commission shall conduct an inquiry concerning a disciplinary referral and shall determine whether disciplinary proceedings are warranted. The Commission may require persons to submit affidavits setting forth their knowledge of relevant circumstances. If the Commission determines that disciplinary proceedings are not warranted, it shall issue an order terminating the referral.

(3) *Transmittal and hearing.* Whenever, as a result of its inquiry, the Commission, by a majority vote of the full Commission or a majority vote of a duly constituted panel of the Commission, determines that the circumstances warrant a hearing, the Commission's Chief Administrative Law Judge shall assign the matter to a Judge, other than the referring Judge, for hearing and decision. The Commission shall specify the disciplinary issues to be resolved through hearing and may designate counsel to prosecute the matter before the Judge. The Judge shall provide the opportunity for reply and hearing on the specific disciplinary matters at issue. The individual shall have the opportunity to present evidence and cross-examine witnesses. The Judge's decision shall

include findings of fact and conclusions of law and either an order dismissing the proceedings or an appropriate disciplinary order, which may include reprimand, suspension, or disbarment from practice before the Commission.

(d) *Appeal from Judge's decision.* Any person adversely affected or aggrieved by the Judge's decision is entitled to review by the Commission. A person seeking such review shall file a notice of appeal with the Commission within 30 days after the issuance of the Judge's decision.

(e) *Misconduct before a Judge.* A Judge may order the removal of any person, including a representative of a party, who engages in disruptive conduct in the Judge's presence. If a representative is ordered removed, the Judge shall allow the party represented by the person a reasonable time to engage another representative. In all instances of removal of a person for disruptive conduct, the Judge shall place in the record a written statement on the matter. A party aggrieved by a Judge's order of removal may appeal by requesting interlocutory review pursuant to §2700.76 or, alternatively, may assign the Judge's ruling as error in a petition for discretionary review.

§ 2700.81 Recusal and disqualification.

(a) *Recusal.* A Commissioner or a Judge may recuse himself from a proceeding whenever he deems such action appropriate.

(b) *Request to withdraw.* A party may request a Commissioner or a Judge to withdraw on grounds of personal bias or other disqualification. A party shall make such a request by promptly filing an affidavit setting forth in detail the matters alleged to constitute personal bias or other grounds for disqualification.

(c) *Procedure if Commissioner or Judge does not withdraw.* If, upon being requested to withdraw pursuant to paragraph (b) of this section, the Commissioner or the Judge does not withdraw from the proceeding, he shall so rule upon the record, stating the grounds for his ruling. If the Judge does not withdraw, he shall proceed with the hearing, or, if the hearing has been completed, he shall proceed with the issuance of his decision, unless the

§ 2700.82

Commission stays the hearing or further proceedings upon the granting of a petition for interlocutory review of the Judge's decision not to withdraw.

§ 2700.82 Ex parte communications.

(a) For purposes of this section, the following definitions shall apply:

(1) *Ex parte communication* means an oral or written communication not on the public record concerning any matter or proceeding with respect to which reasonable prior notice to all parties has not been given. A status or informational request does not constitute an ex parte communication.

(2) *Status or informational request* means a request for a status report on any matter or proceeding or a request concerning filing requirements or other docket information.

(3) *Merits of a case*, which shall be broadly construed by the Commission, includes discussion of the factual or legal issues in a case or resolution of those issues.

(b) *Prohibited ex parte communication*. There shall be no ex parte communication with respect to the merits of a case not concluded, between the Commission, including any member, Judge, officer, or agent of the Commission who is employed in the decisional process, and any of the parties, intervenors, representatives, amici, or other interested persons.

(c) *Procedure in case of violation*. (1) In the event a prohibited ex parte communication occurs, the Commission or the Judge may make such orders or take such action to remedy the effect of the ex parte communication as circumstances require. Upon notice and hearing, the Commission may take disciplinary action against any person who knowingly and willfully makes or causes to be made a prohibited ex parte communication.

(2) A memorandum setting forth all ex parte communications, whether prohibited or not, shall be placed on the public record of the proceeding.

(d) *Inquiries*. Any inquiries concerning filing requirements, the status of cases before the Commission, or docket information shall be directed to the Office of General Counsel or the Docket Office of the Federal Mine Safety and Health Review Commission, 1730 K
